Dear Parents/Guardians,

Welcome to Helping Hands Learning Academy! There has been a great deal of planning for the upcoming school year, and we are looking forward to working with your child.

On Thursday, September 1st, 2022, we hosted Parent Orientation from 12:00 PM to 1:00 PM for our BOE families. The turnout was amazing, we appreciate all the family support and engagement we received during this event. Students and parents had the opportunity to view their classrooms, meet the teachers and para's, learn about our organization and school, along with information about the curriculum.

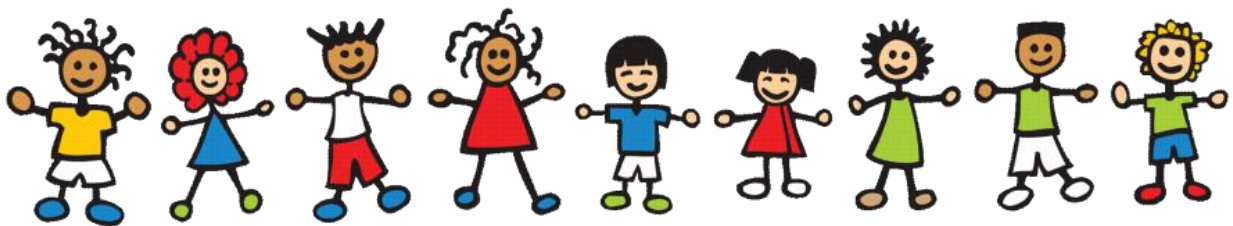

The school year will officially begin on Tuesday, September 6, 2022, at 8:30 AM. Please remember to label all your child's belongings. Also, bring clean sheets, a family photo, and the materials from the supply list.

If you have any questions, please feel free to contact the Helping Hands Learning Academy staff at (732) 382-9311 ext. 304 for the Education Coordinator or ext. 302 for the Main Office. We look forward to having a great year with your child.

Educationally Yours,

Rakia Brown-Crawford, M.Ed.

Education Coordinator
